225.7305 Limitation of liability.

Advise the contractor when the foreign customer will assume the risk for loss or damage under the appropriate limitation of liability clause(s) (see FAR Subpart 46.8). Consider the costs of necessary insurance, if any, obtained by the contractor to cover the risk of loss or damage in establishing the FMS contract price.

225.7306 Exercise of options for FMS.

Consider changes to cost and profit attributable to pricing differences between U.S. and FMS requirements when exercising an option to satisfy an FMS requirement. Also consider such changes if the option is already identified for FMS, but it is exercised for country B requirements instead of the country A requirements for which it was priced.

225.7307 Offset arrangements.

In accordance with the Presidential policy statement of April 16, 1990, DoD does not encourage, enter into, or commit U.S. firms to FMS offset arrangements. The decision whether to engage in offsets, and the responsibility for negotiating and implementing offset arrangements, resides with the companies involved.
